1. Welcome/President's Report – Jonathan Root
  - South Florida Event Update- Nice event but we did not have the turnout we had hoped for. In the future we need to tweak it by broadening the guest list, offering something of value (CLE?), partnering with another organization, etc.
2. Section Contract Update/Vote- Peter Gladstone spoke to liaison Jorge Cestero who believes moving forward with the contract as is is in our best interest. Jonathan Root motioned and Mark Sessums seconded we approve the extension of the Family Law Section Review Course Contract through 2023. The motion passed unanimously.
3. 41<sup>st</sup> Institute Report- Susan Stafford reported on the attendance numbers and asked all speakers to please submit their headshots and bios ASAP.
4. 2019 Retreat- John Schutz discussed having a family friendly retreat in Florida and Karen Weintraub agreed it is time for a family friendly retreat in-state. Different dates were discussed and it appears June 6-9 is the preference. Susan gave the rates at Hawks Cay and David Manz suggested also looking at Cheeca Lodge and Casa Marina. John Schutz is in favor of the Casa Marina idea and Susan will peruse ASAP.
5. Legislative Update- Elisha Roy had a conflicting meeting with The Section and we will ask her to please send a brief written update. All agreed the legislation as written has many issues. Jonathan will reach out to Section Chair Abby Beebe to discuss next steps.
6. FLS Lobbyist Discussion (rollover from Feb) – Jonathan will reach out to incoming Section chair Amy Hamlin to see what the intentions are regarding the Section contract with their current lobbyist. We will speak more once we know The Section intentions.
